

Teacher's Resource Corner from NJNG's Energy for Education can also be found, [here](#).

At NJNG we're committed to providing students, teachers and the community with informative educational tools. If you're a teacher looking to educate your students, or a parent trying to motivate your children, these FREE resources are right for you.* If you'd like to place an order, please call our Customer and Community Relations department at **732-938-1035** or e-mail us at speakers@njng.com.

Your Natural Gas Activity Book

Characters Nat and Gus teach kids natural gas safety through critical-thinking activities, math puzzles, geography and word games. *Grades 3-6*

Natural Gas – Your Invisible Friend

Children explore where natural gas comes from, how it's used and why it's important to be careful when using it. Full-color pictures depict kids in real-life situations. Fun-filled puzzles, lessons and games meet National Science Education Standards. Includes content for natural gas leaks and hazard recognition, response and prevention. *Grades 3-6*

It Smells Bad for a Good Reason

Our natural gas leak safety brochure provides tips and information on what to do when a leak is detected. Also included is a scratch and sniff picture letting you find out what a natural gas leak smells like. This pamphlet is written in both English and Spanish. *Adult*

**Supplies are limited.*
